

PFINGSTEN

Pfingsten is an operationally focused private equity firm formed in 1989. From our headquarters in Chicago and our representative offices in ChangAn, China and New Delhi, India, we build better businesses through operational improvements, professional management practices, global capabilities and profitable business growth rather than financial engineering.

We are actively seeking control investments for our \$525 million fourth investment fund, Pfingsten Partners Fund IV, L.P.

Investment Criteria

Transaction Values \$15 to 100 million

Annual Revenue \$20 to 150 million

EBITDA \$3 to 12 million

GEOGRAPHIC PREFERENCES

Platform companies must be headquartered in the United States. There is no geographic preference for add-on acquisitions.

TRANSACTION TYPES

Private companies undergoing an ownership transition, recapitalization or requiring growth capital; strategic add-on acquisitions; corporate divestitures; or select special situations.

INDUSTRY PREFERENCES

Manufacturing: Niche manufacturing companies that make non-commodity products

Distribution: Distribution companies with value-added branding, merchandising or unique processing

Business Services: Select business-to-business service providers with a value-added service offering, deep customer relationships, high switching costs and a scalable business platform

The Pfingsten Difference

OPERATING CAPABILITIES

Our in-house operating professionals provide support and assistance with strategic, tactical and financial planning; asset management and operational improvements; best practice exchange between portfolio companies; and due diligence and integration for strategic add-on acquisitions. We also provide a team-based continuous improvement operating process and training programs.

GLOBAL CAPABILITIES

We provide product sourcing services through our representative offices in ChangAn, China and New Delhi, India; market entry services; and strategic add-on acquisition capabilities in North America, South America, Europe, Asia and Australia.

CONSERVATIVE CAPITAL STRUCTURE

We invest a minimum of 50% equity in each platform investment to provide management the flexibility to weather economic cycles and to support investments in infrastructure, operational improvements, organic growth and strategic acquisitions.
